2018 Concerts in the Park Donation Form

After the success of last year's summer concert series, the Wilton Parks and Recreation Department is once again sponsoring summer concerts in Wilton.

Concerts will be held on Sunday evenings starting July 15th through August 5th from 5-7 pm with the first two concerts being held at Schenck's Island with seating on the island and across the river at The Chess Park and the final two at Merwin Meadows. This year's series will feature local bands playing tunes from a variety of musical genres. The concerts will be free and concert goers are encouraged to set up a blanket or chair, bring a picnic and sit back and enjoy the music.

The concert is being sponsored by Wilton Parks and Recreation Department and underwritten by The FAIR Group - William Raveis Real Estate and by a challenge donation from Lynne and Paul Vanderslice. Would you like to support the 2018 summer concert series? Corporate or individual contributions in any amount are welcome. To make a contribution, please complete the form below. Wilton Parks and Recreation is grateful for your support of its programs.

Business/Individual Name: _____

Address: _____
